

UK Structured Products Association welcomes Cirdan Capital as new member

London, 18 November 2019: Today, the UK Structured Products Association (“UKSPA”) announces that Cirdan Capital Management Ltd (‘Cirdan Capital’) will join as a new member with immediate effect. This brings the total membership of the UKSPA to 17 firms.

Cirdan Capital was founded in 2014 with one objective: Apply innovation and technology to the world of investments. Its principal area of activities are the provision of investment solutions to asset managers, wealth managers and other institutional clients.

Zak De Mariveles, Chairman of the UKSPA, comments on the new member:

“We are very pleased to welcome Cirdan Capital as a member of the UKSPA. We have built a strong momentum over our 10-year history, offering a unique opportunity for our member firms to collaborate and represent the industry in a united way. Looking ahead to 2020, we have a number of exciting projects planned to help meet our objectives of providing support and education to the wider investment community. Cirdan Capital will be involved in these projects, working alongside our existing members”.

Antonio De Negri, Founder and CEO of Cirdan Capital, adds:

“We are delighted to become members of the UKSPA. We are looking forward to provide our contribution to the growth of the association and to the development of the structured products industry in Europe”.

Note to Editors

The UK Structured Products Association ('UKSPA') was first established in 2009 in response to a need for a collective and unbiased voice for the industry. Today, the association includes 17 members (Cirdan Capital, Citi, Credit Suisse, Deutsche Bank, Hilbert Investment Solutions, HSBC, Investec, JP Morgan, Mariana Capital, Meteor, Morgan Stanley, Natixis, RBC Capital Markets, Societe Generale, Tempo, Walker Crips and Wisdom Tree), who represent some of the largest providers and distributors of structured products to UK retail investors. The purpose of the association remains the same: To provide a useful, unbiased and responsive source of information, education and comment on structured products and their use in investors' portfolios.
